

Exact Online bank link

**LINK YOUR BANK TODAY AND
ENJOY THE BENEFITS!**

= exact
Online

Exact Online's bank link makes accounting easier and more efficient, regardless of which bank you use. A bank link ensures that bank statements are automatically imported into Exact Online. This keeps your financial administration up to date and eliminates the need to manually enter bank transactions.

Pay invoices efficiently and automatically with Exact Online

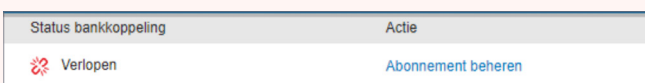

Whether you have one or multiple invoices, Exact Online makes paying them easy and fully automated. With the Exact Online mobile app, you can pay incoming invoices wherever you are. You can easily pay multiple invoices at once, which saves time and ensures that your administration is always up to date.

Setting up and renewing your bank link: it's easy

- 1. Go to Exact Online
- 2. Go to the cockpit
- 3. Click 'Bank'
- 4. You will now see the status of the bank link. If you see a **red** sign, you can add this link or you need to renew your bank link.

- 5. Click on 'Manage subscription' ('Abonnement beheren').

- 6. Click on: 'Renew permission' / 'Add' ('Toestemming vernieuwen' / 'Toevoegen').

- 7. Clicking on this will take you to the bank environment to sign the link. Was the signing successful? Then the bank link has been renewed.

Receive payments faster with Exact's integrated payment link

Exact's integrated payment link simplifies the payment process: pay quickly and accurately with a single click. Companies that use the payment link receive an average of 43% of their payments within 24 hours. The money is deposited directly into your account and each payment is automatically processed in your accounting system. Place the payment link as a payment button or QR code in your invoices and experience the difference.

Options per bank

Via the PSD2 link, you will receive bank details at least 4 times a day. Via the automatic link, you will receive bank details once a day. You can check which links are possible via this link: [Bankkoppeling met Exact Online: zo doe je het](#) | Exact.

When does the link become active?

Zodra de bankkoppeling de status 'Bevestigd' As soon as the bank link displays the status 'Confirmed', the bank link will be displayed in the 'Final' section of the 'Bank links page' and you can get started.
